

Tim and Tom's Sharky Day

By Adam Maughan

3rd Class

HELLO reader, this story you are about to read is about two boys who live in L.A called Tom and Tim.

Tom is a boy who does not ask to do stuff but he still cares for his brother Tim. Tim is a boy who is Honest. Now let's get to the story.

'Tim, let's go to the beach' said Tom.

"We have to ask Dad" said Tim.

"No we don't" answered Tom.

"Yes we do!" exclaimed Tim.

"Why?" asked Tom.

"So that our Dad will know where we are" answered Tim.

"Who cares?" was Toms reply.

"Me!" shouted Tim.

"It's okay" said Tom.

"Fine" sighed Tim.

The two boys headed off to the sandy beach. The sun shone brightly in the sky and they could hear lots of loud voices coming from the beach. Tom was feeling very excited but Tim was feeling guilty. He knew he should have asked Dad for permission.

"Let's grab the jet skis", shouted Tom.

"No way", said Tim, "that ain't happening".

"Come on you scaredy cat", said Tom.

"I'm not a scaredy cat!" exclaimed Tim.

"Come on" says Tom. "OK" sighed Tim once again.

"This is going to be so much fun", whispered Tom to himself.

They grabbed the jet skis and headed out to sea. Tom and Tim were a good bit out to sea when Tim saw something that looked like a spike in the water. It was a fin, it was a shark.

""Ahh", Screamed Tim. It was just a small shark but Tim was still screaming

"Be quiet!" roared Tom. "It's just a small shark."

"Ahh!!!" screamed Tim once again.

"It's okay," said Tom, "look, it won't bite". Tim was sure he shouldn't have come here in the first place.

Meanwhile back at the house. Dad was finished cooking dinner.

"Boys, dinner!" shouted Dad, "Where are they?" he wondered.

"Boy's dinner!" shouted Dad once again.

Dad checked the house everywhere from top to bottom but they were nowhere to be found.

"Don't say that they went to the beach without asking me!!!" roared Dad. "Aaaaaarrrrrgggggg, I'm going to get them!" said Dad to himself.

Dad went to the beach to find them. He heard a scream.

"Aaaaaaaaaaaaaahhhhhhhhhhhhhhhhh!!!"

Dad knew it was Tim. Dad grabbed a jet ski and went out to sea. There, Dad saw the two boys playing with a shark! The boys were in so much trouble.

In the end, they were locked out of their play room for two months.

SARAH is so excited because she is going to get married to Prince William. Sarah's best friend Laura is a spy for the evil side. Sarah doesn't know that Laura is an undercover spy. Laura really hates Sarah. Laura has a plan which involves getting a picture of Sarah the day before her wedding so that she can kill Sarah, get to marry the prince herself and take over the kingdom. Keep reading to find out what happens.

So, will I begin?

"Morning" Laura said to Sarah. "Hi" said Sarah in a sweet voice. She was so excited to get married the next day. Laura asked Sarah if she could take a photo of her. Sarah said "yes". So that night, Laura used some magic to look like Sarah. Then Laura went into Sarah's bedroom and dragged Sarah to the basement.

"It's morning," said the Queen.

"Yes" said Laura, in an evil voice.

But while Laura was getting dressed, the cleaner heard someone screaming.

"HELP!!"

So the cleaner went down to the basement and found Sarah. But the cleaner did not know that it was Sarah because of the spell which Laura had cast. The cleaner was nice so she let her go to the wedding.

Sarah kept thinking, "If I am not on the altar, who is?"

Back to the wedding.

Prince William kissed Laura but because Laura wasn't his true love, the spell wore off.

"Of course!" thought Sarah, "Laura wasn't at wedding!"

Prince William shouted, "If you're not my wife, where's my wife?" Sarah stood up on her chair and shouted, "Here!"

So Sarah and William were married the next day and as for Laura, she was put in prison for life.

Two years later, Sarah and William had one child called Ella.

When Ella was 25, she became a guard. Laura had escaped from

prison and flew to India. When Ella heard, she flew over to India straight away. She asked everybody in India if they had seen her.

So Ella went to the pool for a while and when she got out she saw Laura. Before Laura could see Ella, she ran to the dressing room, got out her gun and ran back to the pool.

BANG..... SHE SHOT LAURA!

That was the end of Laura.

AND THE END OF THIS STORY.

4th Class

ONCE upon a time there was a fox. This fox was different to the other foxes. She had a black spot and gold eyes. Whenever she sat down the other foxes would run away. This weird fox was called Fuzzball.

One day a girl called Isabelle went for a walk. Fuzzball noticed her and started to run after her. Soon she found a cave. She went in and found a BEAR!!! She screamed and ran away.

Soon she saw Fuzzball. She ran and ran but she found two strange trees. She ran between them and landed in a different dimension. In this dimension, animals and humans could talk.

“WOW!!!” Isabelle said.

Fuzzball was standing beside her, waiting for her.

“But, but, how is this even possible?” Isabelle was saying to herself.

“Because we are in man-coo dimension,” replied Fuzzball.

She took a step closer to Fuzzball and tried to pet her.

“My name is Isabelle, what’s your’s?” she asked.

“Fuzzball,” said the fox.

“What?” Isabelle questioned.

“FUZZBALL,” she shouted.

“Oh, ok” said Isabelle. “Well how do we get out of here?” Isabelle asked.

“The same way we came,” answered Fuzzball and they ran through the two trees.

“Well, goodbye,” said Isabelle.

“Bye” Replied Fuzzball.
